THE BEST TABLETOP BOTTLES FOR YOUR BOTTOM LINE

Whether you're a sit-down restaurant, diner, cafeteria or concession stand, no other condiment will stand out on your tabletop like Heinz Ketchup.

HIGH QUALITY

89% of consumers agree that the condiment brand indicates an operator's commitment to quality

Ketchup is one of the most popular condiments for a reason. Consumers love to use it for everything from toppings for burgers and hot dogs to dips for meats and sides. And Heinz is the brand consumers expect to see when dining out. Our inverted squeeze bottle features a Forever Full solid red bottle design to maintain a full appearance between replacement and includes a non-removable flip cap to prevent tampering.

ICONIC STYLE

88% of consumers like to use Heinz ketchup when eating away from home

For over 150 years, Heinz has been America's Favorite Ketchup®. This level of brand recognition is unparalleled, especially when paired with the classic Heinz Ketchup glass bottles with removeable caps. It's the iconic style that generations of consumers remember and elevates the look of any tabletop at a sit-down restaurant.

CONSISTENT TASTE

Over 2/3 of consumers select Heinz as the best tasting ketchup

Made from sweet, juicy, ripe tomatoes for that signature thick and rich taste, no other ketchup compares to Heinz. Our tomatoes come from Heinz seeds grown by farmers we know and trust, which gives our ketchup the unique taste that consumers love, especially as a topping for their burgers. Ketchup is the 3rd most important burger topping for consumers, behind cheese and bacon.
