

July 1, 2020

Dear Valued Partner-

We have identified a flavor quality issue with some of our key products and wanted to inform you as soon as possible. All products are safe to consume; however, they do not meet our internal standards for taste quality.

Please **inventory remaining supply, remove, and destroy** all affected products listed below:

Item #	Product Description	Lot Date	Use or Freeze by Date
119529	Tangy Summer Sausage, 28 oz.	5/28/2020 and 5/29/2020	9/25/2020 and 9/26/2020
117440	Franks, PWB, Red, 10/1 5"	5/27/2020 and 5/28/2020	8/25/2020 or 8/26/2020
119542	Tangy Summer Sausage, 28 oz.	5/28/2020	9/25/2020

To ensure proper account credit, please provide Proof of Destroy photograph, affected inventory and any additional documentation available. Please send to AR@cloverdalefoods.com.

We sincerely apologize for any inconvenience this may cause.

Sincerely,

Sam Towner
Vice President of Operations

Joe Savageau
Vice President of Sales
